December 7, 2020

Dear Students, Staff, Families, and BTS Community:

Today the MDHHS has issued an updated emergency order, [Gatherings and Face Mask Order \(https://flivver.info/MDHHS12720\)](https://flivver.info/MDHHS12720), extending the closure of in-person instruction for students in grades 9-12 through December 20, 2020. This essentially closes general in-person instruction at Kingsford High School until January of 2021. An important change in today's updated emergency order makes in-person instruction for most DIISD Technical Education classes permissible. It also allows for in-person tutoring and academic support at the high school level. There will be more information as to how these changes will affect our KHS students to follow.

Our goal is that all high school students will stay actively engaged in their learning during the extension of the virtual learning time period to help ensure a smooth transition back to face-to-face instruction on January 4, 2021.

Our staff will continue working hard to ensure all children receive the best education possible whether they are learning in-person, via distance or virtually. We truly appreciate your assistance, support and patience during these challenging times.

Sincerely,

Mr. Craig Allen, Superintendent  
Breitung Township Schools
